THINGS YOU NEED TO KNOW ABOUT REQUESTING EVENT TICKETS

Requesting event tickets for the Olympic Games is far more complex than purchasing tickets for any other sporting event. However, if you read the following information before submitting your ticket request, you will be able to complete your online ticket order with the minimum of complications. Cartan Global utilizes this method for "Ticket Only Purchasing." Clients selecting one of Cartan's Sports Travel Experience are not required to complete the Online Ticket Request. The dedicated Account Manager will assist with any ticketing needs.

TICKET CODES & EVENT SCHEDULE INFORMATION

TICKET CODES

Each ticket is sold for a single session, date, location and price. There are up to four price categories per session. Each ticket gives access to everything listed within that session in the Event Schedule.

Each ticket is represented by its own TICKET CODE

For example:

AT005A (i.e. the ticket code)

AT = Athletics (the sport abbreviation)

005 = The fifth session of this sport

A = Top price category

*Where there is only one price category for tickets, these are all coded with "A."

PLEASE NOTE that dates and times given for the events are based on the most up-to-date information available but are subject to change in response to alterations to the program made by Rio 2016™. Cartan will do their best to keep you updated on any changes that might affect your choice of tickets.

TICKET PRICES

The ticket prices shown in this brochure are the actual face value of the event ticket including all current taxes and Rio 2016™ handling fees. In accordance with our contract with Rio 2016™ and the IOC, all ticket purchases are subject to a processing charge which must be added to the cost of the tickets. This has been set at 20% of the ticket cost for tickets costing R\$600 or under, and a flat rate of R\$120 for tickets costing more than R\$600. The full price including handling charge is shown against each ticket in the Event Schedule in USD selling price. All selling prices are in USD and have been converted at the exchange rate approved by Rio 2016™ and include the approved handling fee.

CEREMONY TICKETS

The Opening and Closing Ceremonies of any Olympic Games are the focal point of great interest and anticipation.

With a worldwide audience of around four billion expected to be watching the ceremonies "live" on television, the demand for tickets is always insatiable. While Cartan has secured an initial allocation of tickets for both ceremonies and will continue to try to secure more, the overall number of tickets that Cartan will receive is likely to be very small in comparison to the demand. In addition, historically the tickets that are allocated to Authorized Ticket Resellers are in the higher price categories. This is likely to be a pattern that will continue as Cartan secures more in the future. If you are considering requesting tickets for either of the ceremonies, to avoid great disappointment, please take into account that the lower price tickets may not be available and therefore request the highest price ticket you are willing to accept if they are available. Cartan Global will automatically look lower in price if the category you requested is not available. However, Cartan will not conform a higher category unless requested.

TICKET ARRANGEMENTS FOR SPECTATORS WITH DISABILITIES

All venues will have designated disabled seating. However, the number of spaces will vary from venue to venue. In addition, most official transportation vehicles are expected to be designated to be accessible to spectators with different types of special needs. It should be noted, however, that it might not be possible to get to the gates of every venue on the transportation system, so some walking may still be required.

If you are a wheelchair-user, limited in your mobility or suffering from visual impairment, please ensure that you detail your requirements so that we can relay this information to Rio 2016™ in advance. Please note, however, that seating for “companions” in the designated disabled areas will usually be restricted to one seat, so larger parties including a disabled spectator may not be able to be seated together.

*Please send to Cartan a cover letter to accompany your Ticket Request Form specifying your requirements.

PARENTS AND FAMILIES OF SPECTATORS

Rio 2016™ is aiming to deliver a service that gives each athlete the opportunity to purchase one or two tickets for almost every session in which they are competing. The sale and distribution of these tickets will be done through each country's National Olympic Committee beginning April 2016. If you are traveling to Rio 2016™ to see a close family relative compete please contact your country's NOC for information on athlete and family tickets. Should you require more than the one or two tickets allocated to this program, it is recommended that you request them from Cartan Global if they are available.

RESERVED SEATING & GENERAL ADMISSION VENUES

As in previous Olympic Games, detailed information is not yet available regarding venue plans. This includes the allocation of seat/standing areas at the venues to the specific price category, or which actual seat areas will be allocated to us at any of the events. These details will only be advised to us shortly before the start of the Games, so no notification of seat locations or other stadium information can be given out prior to the actual distribution of tickets.

In addition, as Rio 2016™ has not yet published details of their policy for allocating blocks of seats, Cartan cannot undertake to seat groups or large parties together, although we will obviously do our best to do so.

There are a number of venues which will be designated as “general admission” – i.e. a ticket is required for entry, but there is no reserved seating, or there will be “general admission by price category” i.e. with different sections designated for different price categories but no reserved seating within the sections. They are likely to include such sports as Rowing, Equestrian Eventing, certain Tennis sessions, but will not include principle stadium sports such as Athletics, Aquatics, Basketball, Ceremonies, etc.

TRANSPORTATION

The majority of spectators are expected to travel to Rio 2016™ by public transportation via the Suburban rail, Metro and the BRT.

All spectators may ride existing Rio public transportation system free of charge on the day to which they possess a valid Olympic ticket.

For more information regarding Rio's public transportation, please visit www.rio2016.com/en/rio-de-janeiro/maps/transport-map

EVENT TICKET ONLY CLIENTS

Clients will receive officially printed material detailing the public transport services for Rio 2016™ period and this will accompany the event tickets when they are distributed. Clients who purchase Cartan's Sports Travel Experience will receive updates giving details of the progress of the official transportation plans and other information that might be of use in their Olympic Games preparation.

DISTRIBUTION OF EVENT TICKETS

The Event Tickets will **NOT** be able to be dispatched to clients before their departure to Rio. Event tickets will be distributed from our ticket center in Rio which will open a few days before the Opening Ceremony and will remain open throughout Rio 2016™. Full details of the distribution arrangements for tickets will be published approximately three months before the start of Rio 2016™.

EVENT VENUES

The Rio 2016™ venues will primarily be located in the Greater Rio de Janeiro area. Some football events will be held outside of Rio in Belo Horizonte, Brasília, Manaus, Salvador and São Paulo, alleviating some of the pressure on Rio's venues. Below is a list of all the sports along with the venues that will be hosting the events. For more details on venues and their locations visit: www.rio2016.com/en/the-games/competition-venues/venues-map. The venues will be divided into FOUR Zones.

BARRA ZONE: Will host 21 Olympic disciplines and will be jam packed with action. Barra will be the home to the Barra Olympic Park, Olympic Village, Athletes' Park, International Broadcasting Centre, Main Press Centre Complex and will also feature some of the most popular events including basketball and swimming and will be the home to the new Olympic Golf Course, which will host the first golf event since the 1904 St. Louis Olympic Games.

COPACABANA ZONE: Will be the home to beach volleyball as the sport returns to its "Spiritual Home." A little further inland, Lagoa Rodrigo de Freitas will be the site of Lagoa Stadium that will stage the rowing and canoe sprint events. Copacabana Fort will host Triathlon and Marathon Swimming.

DEODORO ZONE: Due to the number of venues that were built for the 2007 Pan American Games, Deodoro Olympic Park will host the second largest concentration of competition venues. Two of the venues built for the Pan American Games will be renovated for Rio 2016™, the Olympic Shooting Centre and the Olympic Equestrian Centre. Deodoro Zone will have nine (9) venues hosting 11 Olympic disciplines.

MARACANÃ ZONE: In close proximity to Rio's downtown core, Maracanã Zone will be the site of the Opening and Closing Ceremonies. This zone will include two of the most famous landmarks in Rio: Maracanã, which staged the 2014 FIFA World Cup Final, and Sambódromo, home of the Carnival parade, which will host the Olympic marathon and archery events.

THINGS TO REMEMBER WHEN SUBMITTING YOUR ONLINE TICKET REQUEST

Ticket Prices listed on Cartan's website and in this brochure are higher priced than what is available on the Rio 2016™ website to residents of Brazil. Ticket prices are established by Rio 2016™ and converted from BRL to U.S. Dollars at a fixed exchange rate and are inclusive of handling fees. Rio 2016™ permits Authorized Ticket Resellers to charge handling fees.

Please read the detailed event schedule carefully. This should help answer many of the questions you may have. If you need further assistance, please call our experienced ticketing team for more information at +1 310 546-9662.

Please ensure that you have thoroughly read the Cartan Global Ticket Request Terms and Conditions. It is important that you are familiar with these before requesting your tickets.

When planning your itinerary, leave plenty of time for traveling to and from the venues and allow for queues entering and exiting the stadiums. It has been our experience that transfers between venues can take a minimum of two hours.

Do not try and visit too many events each day as this will make you extremely tired and will decrease your enjoyment of the Games. We recommend that you try to avoid visiting more than two events per day.

For every "first choice" event ticket select a "second choice" event ticket as this improves your chances of obtaining tickets.

In the ticket allocation process, ticket requests will be checked against availability and fulfilled in the following order. Cartan will try and confirm your request- If it is unavailable we will check for a lower category for the same event.

We strongly advise that you do not plan to attend an event on either your day of arrival or departure. Remember that you will need to collect your tickets from our ticket center in Rio. This may affect the event you plan to watch first on the date you plan to arrive in Rio. Please refer to the Event Schedule and Wave Dates on Page 5.

To request tickets, please visit online ticketing system, Ticket Manager, via the following **LINK**. Please create an account and follow the steps.

REMEMBER – THE EASIEST WAY TO REQUEST TICKETS IS VIA OUR WEBSITE AT – www.cartanlobal.com

The following terms and conditions for ordering event tickets are put forth by Cartan Tours, Inc. (DBA Cartan Global) and are in accordance with regulations set forth by Rio 2016™. These Terms and Conditions apply between the client ("The Client") and Cartan ("The Company"). By submitting the order online The Client agrees to the Event Ticket Terms & Conditions.

Rio 2016™ reserves the right to make alterations to the event schedule and/or content of individual sports sessions at its exclusive direction and without notice. No refunds will be provided if the content of a sports session is altered and the spectator no longer wishes to attend. RIO 2016™ also reserves the right to alter, without refund, the seating/spectator arrangements at individual venues without prior notice.

Should Rio 2016™ cancel any event and offer a refund on applicable tickets to The Company, this refunded amount (face value of the ticket) will be extended to The Client. Schedule and venue changes are not considered cancellations, therefore no refund will be allowed. THE COMPANY CANNOT BE RESPONSIBLE FOR SCHEDULE CHANGES OR MISSED EVENTS.

When planning The Client's itinerary, The Client shall leave plenty of time for traveling to and from the venues and allow for queues entering and exiting the stadiums. It has been The Company's experience that transfers between venues can take a minimum of two to three hours.

The Client shall not try to visit too many events each day as this will make The Client extremely tired and will decrease The Client's enjoyment of the Games. The Company recommends that The Client shall try to avoid visiting more than two events per day.

The Company strongly advises that The Client does not plan to attend an event on either The Client's day of arrival or departure. The Client will need to collect his / her tickets from The Company's ticket center in Rio. This may affect the event The Client plans to watch first on the date The Client plans to arrive in Rio. For tickets processed on the same order, every effort will be made to have The Client's party seated together. However, seat assignments cannot be guaranteed either by location in the venue, nor for members traveling together. Seat locations will not be known in advance. The Company assumes no responsibility for lost or destroyed tickets. The Client shall note that lost or destroyed tickets are difficult to replace. Tickets in their entirety must be presented in good condition for entry to all events.

The Company will be adding a processing and handling fee to all the event tickets. The prices listed in \$R in this brochure are the face value of the tickets. The TOTAL PRICE in USD includes the exchange rate, handling (20% of face value of ticket up to a capped amount of R\$120) and delivery fees (up to \$75 USD) set forth by Rio 2016™. The TOTAL PRICE is final and the Authorized Ticket Reseller will not sell tickets in excess of its total published price.

The tickets allocated to The Company are largely located in the C and D categories. There is a very limited amount of tickets in the top two categories (A and B) which has been allocated by Rio 2016™. The Company will ensure that The Client receives the best seating possible but cannot guarantee seating in the top categories listed for each event.

If The Client has already placed a ticket order, The Client can complete additional ticket orders. The total number of tickets combined in The Client's order must not exceed the amount limitation of forty – eight (48) tickets. Once the threshold of twenty (20) tickets is reached, the entire order will be submitted to Rio 2016™ and it is subject to review and approval by Rio 2016™. There is a maximum of four (4) tickets per event session that can be requested by The Client.
