**All ticket requests received by May 31, 2015** will be weighted equally as a group and given first priority in the ticket selection process. When The Company confirms event tickets in June 2015, these ticket requests will be fulfilled first, using a random computerized selection process. The Client has the best chance of getting the event tickets The Client wants if The Client’s order is in this group. The Client will receive confirmation of the tickets The Company was able to confirm for The Client within 15 days of the allocation. Once The Client receives the email confirmation The Client will be required to login to The Client’s online ticket order account and pay by credit card within 10 days of receiving The Client’s confirmation.

**In the ticket allocation process**, ticket requests will be checked against availability and fulfilled in the following order: The Company will try and confirm The Client’s event as requested in the price category

The Client requested. If the price category requested is not available, The Company will check for a lower price category for the same event. The Company will not confirm a higher price category than what was originally requested. When requesting The Client's events, The Client shall request the highest price category that The Client is willing to accept to increase The Client's chances of being confirmed the event The Client wants to see.

**Starting in July 2015** tickets will be sold on a first-come, first-served basis.

**Cancellation of Tickets:** The Company reserves the right to cancel ticket orders that are not paid in full by the designated due date. Once tickets are confirmed and paid in full, tickets are non-refundable.

**Rio 2016™ reserves the right to make alterations** to the event schedule and/or content of individual sports sessions at its exclusive direction and without notice. No refunds will be provided if the content of a sports session is altered and the spectator no longer wishes to attend. RIO 2016™ also reserves the right to alter, without refund, the seating/spectator arrangements at individual venues without prior notice.

**Should Rio 2016™ cancel any event and offer a refund** on applicable tickets to The Company, this refunded amount (face value of the ticket) will be extended to The Client. Schedule and venue changes are not considered cancellations, therefore no refund will be allowed. THE COMPANY CANNOT BE RESPONSIBLE FOR SCHEDULE CHANGES OR MISSED EVENTS.

**When planning The Client's itinerary,** The Client shall leave plenty of time for traveling to and from the venues and allow for queues entering and exiting the stadiums. It has been The Company's experience that transfers between venues can take a minimum of two to three hours.

**The Client shall not try to visit too many events** each day as this will make The Client extremely tired and will decrease The Client's enjoyment of the Games. The Company recommends that The Client shall try to avoid visiting more than two events per day.

**The Company strongly advises that The Client does not plan to attend an event on either The Client's day of arrival or departure.** The Client will need to collect his / her tickets from The Company's ticket center in Rio. This may affect the event The Client plans to watch first on the date The Client plans to arrive in Rio. For tickets processed on the same order, every effort will be made to have The Client's party seated together. However, seat assignments cannot be guaranteed either by location in the venue, nor for members traveling together. Seat locations will not be known in advance. The Company assumes no responsibility for lost or destroyed tickets. The Client shall note that lost or destroyed tickets are difficult to replace. Tickets in their entirety must be presented in good condition for entry to all events.

**The Company will be adding a processing and handling fee to all the event tickets.** The prices listed in \$R in this brochure are the face value of the tickets. The TOTAL PRICE in USD includes the exchange rate, handling (20% of face value of ticket up to a capped amount of R\$120) and delivery fees (up to \$75 USD) set forth by Rio 2016™. The TOTAL PRICE is final and the Authorized Ticket Reseller will not sell tickets in excess of its total published price.

**The tickets allocated to The Company** are largely located in the C and D categories. There is a very limited amount of tickets in the top two categories (A and B) which has been allocated by Rio 2016™. The Company will ensure that The Client receives the best seating possible but cannot guarantee seating in the top categories listed for each event.

If The Client has already placed a ticket order, The Client can complete additional ticket orders. The total number of tickets combined in The Client's order must not exceed the amount limitation of forty – eight (48) tickets. Once the threshold of twenty (20) tickets is reached, the entire order will be submitted to Rio 2016™ and it is subject to review and approval by Rio 2016™. There is a maximum of four (4) tickets per event session that can be requested by The Client.

**Pricing and Typographic Mistakes:** The Company's objective is to provide The Client with information as accurate as possible. However, some mistakes related to pricing or to typography may occur. In the event this happens, The Company has the right to cancel the orders for the specific mistaken item. Moreover, in case of a mispriced item, The Company will, at its own discretion, call The Client to cancel the order and provide full refund or give The Client instructions regarding the procedures to follow. The Client shall know that tickets and travel prices and availability may vary without notice from The Company.

The Client will have to sign that The Client has reviewed the Rio 2016™ and The Company's Ticketing Terms and Conditions onsite before the reception of tickets. In addition to The Company's terms and conditions the ticketing terms also have to abide to the Rio 2016™ Terms and Conditions of Ticket Purchase which can be found on The Company's website ([www.cartanglobal.com](http://www.cartanglobal.com)).
